**Faculty of Education**  
**Exercise Science**

<b>Offered As:</b>	✓ Major	✓ Minor
<b>*Open to students of other Faculties:</b>	✓	
<b>What is it about?</b>	<p>Exercise Science is a discipline dedicated to the multidisciplinary, scientific study of exercise, physical activity and health, and skill learning and expert performance. Our Exercise Science Major and Minor articulates fully with the University's Major/Minor platform and provides scientific insight and understanding of how the body works and responds to exercise; the health benefits of exercise; how exercise can be prescribed, promoted and measured; how movements are controlled and learned; and why our skills fail us.</p> <p>Our courses are research driven and delivered by internationally recognized and personable staff. The learning environment is interactive and enjoyable. Lecture-based sessions are heavily supplemented by laboratory- and field-based experiences.</p>
