## Business and Economy in China

### Offered As:
- **Minor**

### *Open to students of other Faculties:*
For Non-FBE Curricula

### What is it about?
The academic focus of the Minor in Business and Economy in China emphasizes the general knowledge and critical exploration about economics and business practices in China. The purpose is to provide students in HKU with the most comprehensive understanding as well as real experiences about the economic and business issues in China and to guide them to examine these issues by using general economic theories and data analytical skills.
