# Earth Sciences

**Offered As:**
- ✔ Minor

**Open to students of other Faculties:**
- ✔

**What is it about?**
The Minor in Earth Sciences aims to provide interested students with an introduction to the fundamental structure, process and history of the Earth.

**Offering Department:**
Offered by the Department of Earth Sciences

## Pre-requisites and/or other conditions for declaring the major/minor:
Please refer to the course prerequisites of the required courses.

For details, please check with the Department of Earth Sciences.

## Career opportunities:
The minor curriculum is designed particularly to provide students from different majors the flexibility to select courses to enhance their interests in Earth Sciences or to complement their major of study.

For details, please check with Faculty or CEDARS (Careers & Placement).
