## What is it about?
It is to train students in economic theory, statistical tools, and the application of theory to solve practical economic problems in trade, banking and the labour market. Solid theoretical knowledge and empirical economic knowledge will be covered so that students can gain a thorough understanding on human behaviour and social interactions.

## Offering Faculty:
HKU Business School

### Pre-requisite requirements and/or other conditions for declaring the major/minor
- All courses offered by HKU Business School have quota restriction. Students’ declaration of a major/minor offered by the School will NOT guarantee them a place in the courses for fulfilling the major/minor requirements.
- Some courses may have pre-requisite requirements. Students should obtain a pass in the pre-requisite course(s) before taking.

### Career opportunities:
For further information, please check with the School or CEDARS (Careers & Placement)
