### What is it about?
This programme aims to:
- provide students with basic knowledge and conceptual frameworks of political science and public administration;
- develop students’ ability in critical analysis of complex political issues in the real world;
- equip students with necessary perspectives and skills in identifying and articulating politically feasible solutions to public policy problems;
- enable students integrate theories and methods of political science and public administration into interdisciplinary analytical exercises; and
- prepare students to engage in advocacy for social innovation and better governance.
