## Faculty of Social Sciences
### Social Policy and Social Development

*Offered As:*  
- ✓ Major  
- ✓ Minor  

*Open to students of other Faculties:* ✓

### What is it about?

This programme aims to:

- Equip students with theoretical frameworks and analytical skills in understanding contemporary social development issues and social policy responses to these issues in the local and global contexts;
- Equip students with qualitative and quantitative research methods that are essential for the analysis of social policy and social problems;
- Build students competency to work with diverse populations and to design and implement diverse responses to human needs taking into account cultures and personal values, and
- Equip students with perspectives and skills in working in nonprofit, for-profit, and social enterprise sectors for social changes and to be innovators in these sectors.

### Offering Faculty:

Department of Social Work and Social Administration

</tbody>
</table>

For details, please check with Department of SWSA.

### Career opportunities:

Grounded upon the Department’s strength and remarkable track record in social policy and development, the SPSD programme provides students with perspectives that integrate Eastern and Western practice approaches, local, regional and global contexts, that could enable students to take up careers in organizations engaged in policy and development studies and service projects. For details, please check with the Department of Social Work and Social Administration.
